My name is Ellie and I've been drawing for 8 years. I specialize in cartooning, with main mediums being colored pencil and brush-tip/fine-tip markers.

I'm very good with children as well as people of all ages, so don't worry about whether your child is "too young" or you're "too old". It's never too early OR too late to learn a new skill!

I charge \$25/hr and am willing to travel over an hour to teach.

Hands-on, exciting, and new lessons every time! Simple, easy steps.

I've included a few works from my portfolio. Thanks for your time and consideration!
