I'M GOING ON A SMALL TOUR! I'll be in NE, CO, UH and Kansas! I am looking for people planning on booking for the end of July-end of August area!

I am an insured and licensed fire /Flag dancer in Akron, OH available for a private party, festivals, weddings, business openings, prom, b-day parties, parades, graduation, etc, etc, etc. I fire dance with Fire Fans, and Fire Poi. Where fire is not applicable, I dance with Flag Poi or Asian dance fans, which is beautiful for daytime events or LED for at night.

I have a Guinness World Record for "The most people performing simultaneous full body burns" (which was 21) in Cleveland on October, 2013 (http://www.youtube.com/watch?v=k1RGnCuiA_4) and have performed at many festivals and events in the area.

I'd love for you to keep me in mind for entertainment for festivals, parades, parties, on stage along with bands, business openings, weddings, Holiday events, or for any other event. Also, I'd like for you to join my Facebook fan page.

I often perform with fire, but if there are restrictions with fire or if your event is a day event, then I can also perform with large Flags, Asian dance fans or Glow Poi (at night or in a darkened room). My costumes and music can be changed to fit the theme of most any event!

 <p>love playing with fire and dancing. The idea of a holiday tour has been to help raise an idea you may have for your area. https://www.genclassifieds.com/FANSofRED/posts/152775-z I am very flexible on my show times, and I can</p>	 <p>I have done many free events in the past, but I have made this into a part-time job now so I am only looking for paid gigs at this time. The cost of fuel, costumes, my time, training, insurance, and the risk involved make me unable to offer my time for free. I am cheaper than most (professional fire performers are) and I am willing to work out a deal for a good cause.</p>	 <p>Thanks so much for your time and I hope to hear from you soon!</p>	 <p>Contact me with the details of your event for a quote.</p>	 <p>I have done many free events in the past, but I have made this into a part-time job now so I am only looking for paid gigs at this time.
