QR Code Link to This Post New Licensed Family Child Care is now open with openings for all ages (infant, toddler, preschool and school age). I am licensed by the Minnesota Department of Human Services with a Class A Family Child Care License. My license allows me to care for up to 10 children.

I have three children of my own and I love kids and enjoy watching them learn and grow.

I am excited to provide a safe, nurturing and fun childcare environment for children. I offer age appropriate learning activities for all children in my care! That is very important to me! I will have daily circle time and learning time for toddlers and preschoolers. I will have a weekly theme, letter of the week, arts and crafts, music and games, and more.

I have a fenced backyard, large wooden playset and lots of outdoor toys and activities for children. We will go on walks and there are several parks within the neighborhood.

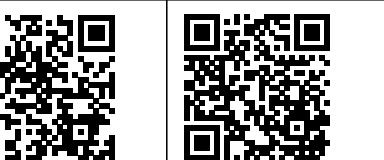

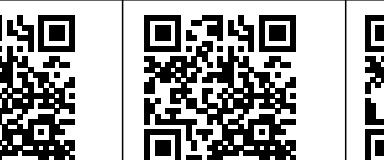

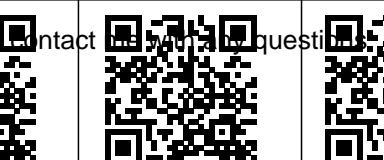

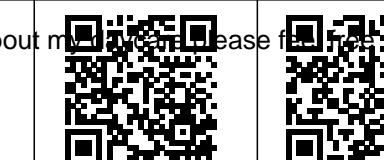

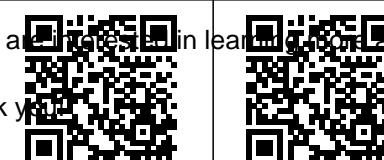

I provide healthy meals and snacks and I'm in the process of enrolling in the Child Care Food Program.

I live within the Parkview Elementary boundaries (ISD 196). Parents of school age children who attend my daycare will not have to pay the transportation fee for busing as my home is more than one mile from the school.

Childcare hours:

Monday - Thursday 7:00am to 5:00pm

Friday 7:00am to 4:30pm

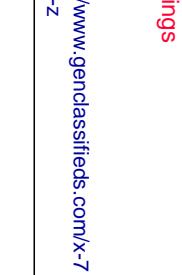

You are interested in learning more about my childcare. Please feel free to contact me with any questions.
