I have recently moved to Hawaii from New Zealand, I am 23 easygoing and love chilling out or going on adventures! I work as a visual merchandiser and love fashion. I have also spent the last few years travelling England and Europe and also lived in Colorado for 2 years.

What I am looking for:

- Close walking proximity to Waikiki (I don't have a car)
- Clean preferably furnished room
- Co-ed or female only household
- Easy-going house mates
- Preferably similar age (20's)
- No pets
- No drugs or smoking
- Month to Month or flexible lease

Can move in with 3 weeks notice to my current place.

I'm looking at paying no more than \$1000 a month incl utilities, prefer around \$900.

Let me know what you have available and please send photos of the house/apartment & Room and a description of yourself and anyone else I would be living with.
