QR Code Link to This Post This photo production work is currently in search of a high stature model for fashion/bikini photographs. Most of the work setting takes place in the outdoors, such as a beach/landscape background etc. The work is fun and easy. No experience necessary; transportation provided . Also in search for a candidate for future modeling sessions and projects. Seeking models that have a natural fit/physique to project dynamic images in fashion/bikini swimwear. Incentive: Clothing and Accessories will/can be provided in new condition. If you have the necessary interest and availability reply with description and contact information. I look forward to working with you and developing something new- Thank
