QR Code Link to This Post Pre-reading, writing, math readiness and enrichment tutorial service offered in my home; I have been very fortunate to have held several educational enrichment positions and love teaching young children in a creative and fun way. I am now a stay-at-home mom and tutor in my own home. My focus is on building fundamental educational readiness skills in a semi-structured and positive atmosphere. I have many fun yet educational materials.

Tutoring is at my home in Metairie, located between W. Esplanade and Kawanee, and between Clearview and Transcontinental Dr. My hourly fee is \$30. Please call for further.
