QR Code Link to This Post Walter is either a Pot Belly or Juliana pig when we purchased him we were just told he was a mini pig and should get to be about 65/70 pounds. Walter is very sweet and loving pig he is 11 months old and has been neutered. Walter weighs about 75 pounds and WE are not breeders - We need re-home him due to the fact our township does not allow pigs in our area. \$50.00 re-homing fee.

Please email or text if interested!
