QR Code Link to This Post I am looking to adop an older Yorkie. Looking for one that is 2 or older and is potty trained and preferably fixed. I don't have any other pets besides a cat so must be cat friendly. He or she will be around a 2 year old (my nephew) so kid friendly is also a plus. Me and my fianc  have our own house with a fenced in yard and I work from my home so I'll always be home with her/him. I also have a vet already in place to provide vet care. He/she will be loved and well taken care of. I had a Yorkie that passed due to old age about 3 years ago and I'm ready to finally have another in my family. Please email pictures and info. Also if you know of any shelters that have an older Yorkie in the NWI area please let me know. I've looked through petfinder but only found 1 that is a ways away from.
