QR Code Link to This Post We have a standard grey male chinchilla who's looking for his new home. This chinchilla originally came to us from Maine Chinchilla Rescue last year, and was adopted out into his new home. Unfortunately, when his new home brought home some other furry family members, they decided that they no longer had time for this cutie. Now, here he is back with us, but he'd rather be out in his new home with you!

Georgie, formerly known as George, is a super sweet boy. We have down that he was born 9/1/13, which means he just turned 4 years old. He's past the super-hyper stage of his life, and would love a nice new home! He does well with being handled and petted, and doesn't bite.

Georgie is a standard grey male chinchilla, so he is a salt and pepper type grey on his back, with a white belly. The classic color of chinchillas.

He would make a great "first chinchilla" for someone who's never had one before.

This chinchilla is currently caged alone. However, if you interested in pairing him up with your, or one of our, chinchillas, let us know and we'll see what we can do.

This chinchilla will come with some food to start you out (Tradition pellets), a goodie bag of chews/treats, and a printed out version of our care packet. He will also come with a lifetime of help and support, should you ever need it. If more supplies are needed, we also sell a variety of chinchilla supplies, from cages to hidey houses to hammocks and everything in between.

Regardless of past chinchilla experience, all potential homes will be asked to read our chinchilla care packet and fill out our adoption application/chinchilla questionnaire. If you are unwilling to do this, please do not waste our time or yours. No chinchilla will go to a new home without an adoption application being filled out - no exceptions.

This chinchilla is located in Hammond, Indiana (zip code 46324). We CAN ship chinchillas to an airport near you! Inquire for more info.

The address is: Georgie

If you are interested in this chinchilla, or have any questions, please let us know. We also do have other chinchillas and other small animals for adoption as well. You can email us or call for more information or if you have any questions. If you call and there is no answer please leave a message and we will get back to you.
