QR Code Link to This Post This comfortable home is conveniently located near Boise State University and downtown Boise.

This home was built in the 1930s; however, a remodel converted the basement into an extra living room, two bedrooms, a full bathroom, and laundry room. The floor is tile and the basement windows allow plenty of lighting inside.

The main floor has two bedrooms, a full bathroom and a living room. The kitchen cabinets, sink, and hard wood floors on the main floor are original.

We are pet-friendly with a large grassy area for you and your pets to play; however, the yard is NOT fenced.

The main floor bedrooms have a gueen-sized bed in one and a full-sized bed in the other room. Downstairs, one room has a twin bed and the other has two twin beds.

Nightly and weekly stays are flexible depending on your.
