QR Code Link to This Post Have you ever heard of the book called 'The Big Book of Breasts'? I am looking to recreate the book with a twist. I am working a project called 'The Big Book of Beach Breasts' and it will showcase women of the Mississippi Coast.

I have no ideal body type, race or age (at least 18 with ID) and you must be willing to sign a release form.

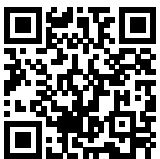

Each shoot will take approximately 30 minutes and each woman will receive \$50 at the time of the shoot and a digital copy of the book once published.

I have been shooting for nearly 15 years and consider myself to be very professional, polite and punctual.

This is a great idea for last minute Christmas cash.

Shoot me an email if you're interested and we can go from there.

Happy.
