However, do you have the time to show the property; verify real buyers from just spectators; and do you know the market to get the most for your property in a timely manner? Timing is everything and the longer it sits on the market, the less appealing it is. Buyers wonder what's wrong with it!

The money you spend (5-6% of Sales Price) for allowing a Realtor to sale your property is worth while when you consider the time to sale at the right price-ask for details. Also, I can provide a comparative market analysis to ensure that you list to sale for the correct amount which helps get your property sold in a timely fashion, not to mention listing the property on the Multiple Listing Service (MLS) and other major media vehicles including our website.

TAKE A LOOK AT SOME OF THE PROPERTIES PICTURED THAT WERE SOLD IN RECORD BREAKING TIME... Whether you have a condo, luxury home, multi-unit, commercial space, I've sold in some of the best and most challenging situations. ALSO, IF YOU NEED HELP FINDING THAT PROPERTY THAT SUITS YOUR NEEDS, DON'T HESITATE TO CALL ME!!! Stop reading, and start calling . Your time is valuable and the longer you wait the more money you're losing.
