I'm more than happy to help you with your search. Please answer these questions and we can get started!

When is your move date?(is it flexible, if so how far in either direction)?

Any pets(weight and breed)?

Need parking?

Budget(just rent)?

Which neighborhoods are you considering?

Have you toured any properties yet?(so that I don't double up on my research)

When are you available for a showing?

Live in the heart of the city, just steps away from the new, state-of-the-art, after-nights market in Chicago, and booming new development, this ultra-accessible property is just a walk to the city's best, Red, Green, and Gold lines, and has direct access to a variety of expressways. The notch is a very easy access to the city and the surrounding endless shopping and retail options you can walk to early every morning. The property has a high resistance to fire, hot tub and several resident lounge and sundeck and a 24-hour fitness center. The building is 100% smoke-free and has a 24-hour security door staff.

Originally built as condos, each apartment home is unique and smartly laid out. Standard finishes include hardwood floors, stainless steel appliances, and granite countertops. Every apartment includes floor-to-ceiling windows, in-unit washers and dryers, and a private balcony to cap the impressive apartment features.

Parking is available on-site at an additional charge. Cats and dogs are accepted throughout and there is a dog run for your four-legged friend (dog breed restrictions apply, but there is no weight limit).
