I have had her since birth. In 2012 I lived in Mn an raised a few shelties which I loved!! I moved here In 2012 to be near my kids and grandkids and brought 1 little sheltie along. I moved her out of a hobbie farm and into a home and she seemed to like it but she would play with my 3-4# Yorkie and she just didn't seem happy. SO.,.,, I ended up spending a LOT OF MONEY to buy another beautiful little gale her as a playmate and that hasn't been my best move. SO,,,, I have decided to try and find great homes for my beautiful baby's. My mom, who is close to 80 just fell and I should have been there. Just another reason to find a great home for each of my little gals. Oreo is 5 and needs a home with possibly an older person or couple as she is a bit shy but LOVES attention. She listens good and is very lovable. Would love to be your lap dog. I will do a home check as I want her to be happy for the rest of her life. I am asking 300.00 for her but like I said will do a home check. Thanks for your
