QR Code Link to This Post I kw rust. will pass inspection when I'm done.

I am Chris call/text

for appointment

I start at 9am in the morning have
it back in the noontime

Cut as much rust as I can

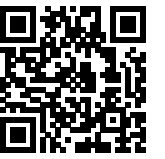

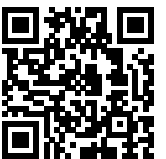

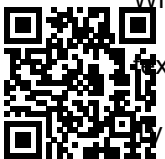

wheels wells / rocker panel work

metal / fiberglass

\$75 to \$200+ a side

you buy the materials
I have the tools to get it done for you.

Will pass inspection when I'm done.
