QR Code Link to This Post Hello all! I have what I believe is a German Shepard mix puppy that is absolutely adorable, & we found her on the side of the road with her sister. Unfortunately we don't have the time or space for her anymore. She is a super sweet girl. Loves to play. She has a lot of personality and needs a forever home! If interested please contact me ASAP! I need her gone by Monday morning. I want to be sure she goes to a good home that will make sure she is taken care of. I had all plans to get her on a puppy plan. I want to meet you and let her acquaint herself with you so we know if you're a match! The picture on the post is from when we first rescued her, she's a little bigger now but just as sweet as can be and needs a loyal companion and forever home!!!

Serious inquiries!
