Its against CL rules to sell YOUR animals

If you are NOT a shelter volunteer or foster parent (SELLING PUPPIES FOR YOUR WALLET) YOU Will be flagged by MANY

TO THOSE THAT KEEP BREEDING, you will be flagged (fix your dogs already)

This is NOT a website for puppy mills, back yard breeders and those lazy jerks that won't spay or neuter

REPUTABLE BREEDERS get your own website to SELL your precious babies and stop using CL

There are a LOT of honest, caring individuals that have the voice for the voiceless that are sick & tired of those ignoring the rules and obviously selling (littering) for your wallet. Lying about vaccines, the parents, EVEN THE BREED YOU THINK YOU ARE GETTING!!!

DO NOT get a puppy if you rent before asking your landlord!!

Keep posting animal sales, we will KEEP FLAGGING and FIGHTING for this nonsense to
