Witch I havent seen or talked to her sence she was 3 years old!!! So yes this is excsiting for me! But.....she lives up in standish and I am here in Portland she wants to see me as I want to see her as well.....But the only problem is I dont have a vechiel to get to her. :( I was told we can meet half way. This would be the first time I've seen my daughter in years and the first time my son would be able to meet his older sister!!! Honestly I can not afford a vechiel right now. Witch is why I believe in mircles!!!! This would be the best christmas present for a lifetime to come!!!! And a good memory for a lifetime as well. God knows my current sisuation. And right now just barely trying to make ends meet to keep it on the table. I know though through him all things are possible. So please if you know of any vechiel for free somwone is looking to get red of plead lest me know.....Im not looking to buy because I cant right now but I really wish something or someone can come through so I can go and see my youngest daughter!!!! Thank you. And God bless you and your family!!!)
