Seeking an intern to assist with research of music marketing, music licensing and live performance venues opportunities. This is for a multiple-venture, music production and recording business: Chris Novak Music Productions and Barnfunk Productions in affiliation with Full Tilt Productions and Eight Days A Week Studios.

Offering training/tutoring in music production and instrument performance in exchange, as well as 10% back-end percentages on deals/projects/gigs completed based on your research.

This is a remote-internship. We're based near Baltimore but your location can be anywhere in the USA. We look forward to hearing what you have to offer and how we can make this a win-win situation!
