QR Code Link to This Post I have a pit/lab mix. She has had all her shots except for her rabies shots so she will need that. She is great around kids and other dogs and cats. I have had her since she was 7 weeks old and she has been raised around kids and babies along with other dogs and cats. She is totally house broken. The only reason why we are getting rid of her is because we are moving and cannot take her. :( Asking rehoming fee of \$50 dollars. If interested please feel free to call or text chris. Thank.
