2000 GMC Sierra 3/4 ton, 2500 HD, SLT - black w/gold

Automatic w/overdrive (4L60-E) and Tow/ Haul. Shift perfect and 4wd works perfect.

Engine: Vortex 6.0 liter gasoline - Runs strong - Has common passenger exhaust leak - think exhaust manifold or gasket.

Diamond 8 1/2' plow w/ push button control. Works good. Plows through snow like butter.

Low miles, about 136,000

Interior: leather ( pretty good shape with a small rip or two)

Power windows (drivers just window stopped working)/ locks, overhead console, Center console with gauge package.

Have clean title in hand -

No state inspection but drives - Will need some work for a sticker like outer rockers, ball joints, etc.

Perfect for contractor, builder, roofer, moving, landscaper, painter --

I'm 2nd owner, bought ten years ago - love the truck but just don't need a 3/4 ton pick up anymore and would like to see it go to someone who would use it. Never

worked in this area - had to plow in New England and don't want to

open to trade for other vehicle than existing 2000's - land, cash, etc. - no offers

Trade for certain Jeep wrangler, Subaru Honda Toyota Nissan Van Element AWD, Car or SUV, / Harley, unique - newer or older, try me as worst I can say is no. --

Asking \$5000 or best offer
