QR Code Link to This Post Our family cat has had a litter of kittens they have been litter trained eating kitten food perfectly fine and drinking regular water also do give them milk every now and then not all the time. They have very amazing personalities they are loving , sweet, love to cuddle, and they have wonderful behavior with other animals and they also get along great with pretty much anyone that will come by them they have blue eyes as well which makes it sounds more cute . I know my daughter would not stop asking us to keep one . I wanted to make sure for certain they will have good homes so please remember that we choose the homes and as long as you can provide a good home and can give them all the love possible. They do have a rehome fee applies to gurantee a good home if interested text or call have a good
