QR Code Link to This Post We're session musicians and engineers looking to work with musicians over the internet. I have samples of our work below. We've done a little everything. We can provide drums, bass, guitar and keys. My partner is able to do Pianos/organs/strings/horns/Etc.

I can also provide mixing and mastering services.

Our pricing is affordable between 15 and 50 dollars for most parts played. It depends on how many parts per song. For Mastering / Mixing I work for as little as \$20 per track. For large albums I'll discuss a reasonable price with you.
