QR Code Link to This Post I am a single parent just of out the Air Force with a teenager. A couple years ago I made a Facebook site with the hope to talk to and meet other hikers in the southern Missouri/Illinois. The site went on hiatus for a while due to some life obstacles and not being in the area. I am looking for other hikers at any level who want to discuss information on local trails, showcase their pictures and even possibly meet for group hikes. The Facebook site is Southern Missouri/Illinois.
