QR Code Link to This Post Kiddie College is now enrolling infants (ages 6 weeks to 12 months). In our infant room your child will have tummy time, story time, sing songs, and will also have assistance with sitting up, crawling, pulling themselves up, and walking. Your infant will also be able to transition from bottles and baby food to sippy cups and table food when they are ready. They will be taught Baby Sign Language to communicate. Social skills will be taught at this age as well by having your infant interact with other children the same age. Your infant will get the love and care your child needs from our Lead Teacher who has an Associate's Degree and lots of experience with Infants and Toddlers.

Kiddie College offers quality care that will save you thousands per year compared to other child care centers in our area. We also accept State Assistance.

Come by to tour our facility at anytime that is convenient for you. You can also look us up at www.kiddiecollege.net to view our website or call us with any questions. We are located 600 Top Notch Lane in Eureka, MO 63025 and can be reached at . We look forward to hearing from you.

WHERE LEARNING COMES FIRST!
