We are Mark & Brianna. We have a 5 year old son and are looking to expand our family. If you've been thinking of adoption or are experiencing an unplanned pregnancy then maybe we can help! We're a very loving family of three and have so many living extended family members that we see weekly. Your child would have 4 grandma's & 3 grandpa's to spoil them with kisses and hugs. Our son is so loving and nurturing. He loves to play & love on his little baby cousins. We have always wanted another child but I had some complications during the birth of our son that we are too scared to risk having another baby. That is why we are turning towards adoption. We are open to ages (newborn, baby, toddler, & early school aged) and we realize that this is/can be a hard time for you and we will not cast any judgement on you but instead we will comfort you and be there if you need us. We are a very outdoorsy family. With four wheeling, hunting, playing volleyball in our backyard, or having bonfires, we are always finding something to entertain ourselves with! If you have any questions or would just like to chat you can email us and we will respond right away!

We look forward to hearing from you,
Mark, Brianna, & our little
