QR Code Link to This Post We are almost homeless. Although I am employed, work is too slow to pay regular rent. If someone were to take 50\$ as a deposit, we can pay the full rent on the 1st. It is me, my disabled wife, and, diabetic cat, we are very clean, and actually have steady income, relocating from San Diego ate up our money. We are stuck in a weekly apartment and have to b out by tomorrow. Someone please help!!!
