QR Code Link to This Post Nice hunting camp on a 6.4 acre wooded lot. Two wood stoves, electricity, and gas lights for when the power is out. No running water and no bathroom, but it's a hunting camp. The lot is mostly woods with a small clearing that abuts the power-lines snowmobile trail. Located about 30 minutes from Pittsburg.

There is a driveway but requires a SUV at the least to get all the way up to it so it's a nice private piece. The cabin measures about 21x41 and has two main sections. Lots of deer sign out there! Can be shown by appointment. My name is Will and I'm selling privately. I am the owner. Give me a call or text even an email. I can't always answer my phone so if you call please leave a voicemail mentioning the camp and I'll get back to you asap. Thank you for.
