QR Code Link to This Post I am a college student looking to hire a few female models for a photoshoot. Elements of nudity are a factor into this project. I'm looking for models who are obviously comfortable posing I styles ranging rom Lingerie to full nude. I am looking to shoot a selection of images to edit with photoshop. These photos are not going to be shown or shared with anyone. This is a paid gig and it ranges from 70-150 an hour and After the shoot I provide full retouched photos.

If you are interested please email me a photo and or a physical.
