This is NOT the Beat-Used-Abused-Unwanted-Improperly Cared For-Fell Off The Back Of A Truck crap that the local music stores are selling!

It was purchased new and looks like it.

I am the original and only owner.

In 2001 I purchased this new cabinet while I lived in NY from the manager, Monty, at Music Land in Lindenhurst, NY.

That makes the cabinet wood 15+ years old.
