If you like what you see there let me know : the date, location/venue , desired time coverage . When you contacting me please state you inquiring about the \$800 WEDDING DEAL.

A little bit about me:

I'm no amateur photographer nor someone who just starting up and looking to build portfolio.

I'm a well established wedding photographer who has numerous years , multiple awards and 300+ weddings behind him and just wanna help those couples who are on budget and fill up the remaining, also odd dates in his calendar . This offer is good for a wedding in 2017.
