QR Code Link to This Post Must have basic computer skills and have own laptop.
Must have excel or some other spreadsheet software loaded on your device to enter the data. That's it!

Extremely easy work coping small amounts of data from a book into your spreadsheet then uploading it to our website via our website.

- You will usually go to the courthouse Mon, Wed and Friday to gather the data. (Holidays may alter those days)
- It will usually take you less than 15 to 20 minutes to copy the data but will be paid for the entire hour.
- You will be paid cash at the end of each week via PAYPAL.
- Yes that means 60.00 per week but if your already in the downtown area, its great extra cash for very little effort.
