QR Code Link to This Post I'm looking for a sexy lady to send me erotic and sexual pictures and videos for my own personal collection and pleasure. Willing to compensate a lot. Must be 18+. Great way to make some money on the side from your own home. I can send money any way you want, venmo, squarecash etc... Email me with some pictures of yourself if you're interested and I'll give you some further details about compensation and what sort of stuff you'll be.
