

GenClassifieds.com 1998 Toyota Camry, GAS SAVER, cheap A to B transportation... (800 USD)

Ohio Location https://www.genclassifieds.com/x-772645-z

QR Code Link to This Post Hi!

This is a 1998 Toyota Camry. They're known as some of the most endurable cars (like hondas) so it should be a decent transportation if that's what you're looking for. It has over 200000 miles, runs and drives great.... Will need some exhaust work in next few mo but that should be about it... Turn the key and drive away!
