QR Code Link to This Post The SCOTT Solace 20 Disc was designed to tackle the harshest of roads without you being affected. Run-down tarmac? No problem. Marathons? Easy. Long days in the saddle? Yes, please. Its HMF Carbon Fiber frame was designed with two zones, a Power Zone and a Comfort Zone, resulting in a stiff and responsive bike that will take a beating all day long without you doing the same. Equipped with Shimano Hydraulic Disc Brakes, you'll be able to put in those long miles regardless of weather conditions. Find your Solace.
