Really Experienced vinyl hangers for winter work. Own toolbelt and truck or car. You need a resume of who you have worked. For for the last few years. I got work deep into. Winter, assuming you can handle a little snow and cold. We don't work rain storms or severe winter days. The most I ever paid a well qualified Hanger was 21.50 a hr..

Looking also for young men who drive and can read. A tape measure and have a desire to work outdoors,
And who want. To learn a trade in life..must be athletic and able to drive nails...and have a car. I. Will. Provide a tool. Belt if needed..

Tough construction background type women can apply
This can be a full. Time job... Dependable income, no. Attitudes or druggies or drunks.. I will...
