QR Code Link to This Post We are now looking for a hardworking mobile auto mechanic to work on my SUV's to be sold for a small place that buys and sells used trucks ... light to medium jobs.... ..If you are good at diagnostic and can remedy almost anything please respond.. ..would like someone to be in greater west side or Lorain county area. I am very experienced in this industry and looking for a do anything mechanic that wants plenty of side work ,,I have huge area with electric /air compressor/some tools

..I am really need someone mobile that can come to me.. I have plenty of work and am very flexible with hours(mostly afternoon and evening /////part time)

...Because I will give lots of work I DO NOT want someone who gives itemized billing (by the job) on every single task that gets done that day... the pay rate is based on performance results (the better you are the better the cash) all pay is untaxed. . . .We pay by the HOUR ...tell me your best rate

. I am very competitive (or better) than most any area shop rate for employee wages.If you are interested, PLEASE leave phone number or NO response. If you are tired of chasing scattered jobs driving all over Ohio and want something a little more consistent (about 2 days a week and very flexible) than let me know

Great gig for the right mechanic who can get small trucks ready to be fixed and sold
