DESCRIPTION Beautifully refinished with new flooring and interior/exterior paint this South West home is tucked away but close to everything. If you have kids, lucky you: this home is in the Bridlemile, Gray and Wilson school districts. The home features hardwood floors and carpeted bedrooms. Two fireplaces for the cold Winters and plenty of skylights to let in the natural light. You will enjoy UNLIMITED hot water on demand as the home has a tank-less water heater. This is a great feature! Outside, there are two large decks and included is a nice gas Weber grill. The home has a bedroom and full bath on the main floor and two more bedrooms on the upper floor. The main bedroom has a beautiful West facing view of the hills. Here is a secret: the upper floor bathroom has a stand up shower, but behind the shower is a huge tiled tub (fits two people easily) AND this tub is in a SAUNA room! You would never know its there, except I can't keep a secret!! Imagine after a long day coming home and taking a sauna and soak in your private oasis (white wine not included in rent). The home has lots of storage and a large two car detached garage. Laundry machines are in the basement. Please text or call me to set up a private meeting to see this special home!

This home is being shown in person & will be ready to move in next week. Call or text Pete Kirby today!
