QR Code Link to This Post Everything has been uninstalled and is in my garage. I bought this used but have since decided to go another route with my kitchen plans. A lot of the cabinets and drawers have the upgrades like pull out accessories and frosted glass. Everything is in overall good and usable condition with the exception of a typical cosmetic chips and scratches. A few upper cabinet doors have their veneer peeling along the edge(only a few; the ones near the stove); other cabinets and doors are in excellent condition. I do not have the sink cabinet but do have the doors and trim piece from it so one could reuse on a replacement box. The sink cab was damaged during removal and subsequently discarded.

Cabinets are Kraftmaid with solid wood drawers. Boxes are mdf.

Counter tops are black granite. Measurements as assembled were 110" x 26" w sink, 51" x 45" corner (26" deep), 16" x 26" (small cabinet next to stove), a 27" x 83" island, and approx 26" x 86"

Selling grouped and priced as follows:

Pantry cabs are width x depth x height:

- 1) 18" x 24" x 82.5"
 - 1) 24" x 24" x 82.5"
 - 1) 18" x 12" x 82.5"
 - 1) Over fridge cab 36" x 24" x 12"
- \$650 (photo #9)
