My name is Albert and my husbands name is Casey. We are looking to make a win-win trade agreement.

We are seeking someone to clean our home for 1 hour per week in exchange for a free cut and color service every 12 weeks.

Our home is very small (500 square feet) and our previous home cleaner was able to clean or entire place in 1 hour including dishes.

We have a very sweet dog named Nigel, so if you're allergic to dog hair, this probably isn't your gig.

Casey has been doing hair for 15 years and is particularly passionate about color. You can see his work on Instagram @Portland_hair
