Friendly, handled often and does not ball up! I had to blow on her to get her to curl up into the cute "balled up" pose.

She is a tad bit shy around new folks and different scents, but tends to uncurl quickly due to her curiosity!

I try to take her outside when it's warmer outside so she can explore, but she loves being outside to go on little adventures!

She will come with everything: her cage, bedding, toys, care sheet, food, mealworm treats, snuggle sack, bonding pouch, running wheel, food and water bowls, take home box and anything else I have for her!

She is \$250.00

Thank you!

If this ad is still up, she is still available!

Please be able to meet in Spencer or close to the Oklahoma City! :)
