 QR Code Link to This Post Two adult beautiful, loving, snuggle kitties. They have been together since 8 weeks old, they are both indoor cats only, declawed front claws, micro chiped, fixed and they are up to date on their shots.

 Petri has medium orange, black and white marble hair. She is large in her body frame and can be a afraid of new noises or people she doesn't know. Petri loves to climb under blankets to sleep in both summer and winter. Petri is a snuggle bug and loves to cuddle.

 Felica has medium silver and black and white marble hair. She is tiny in her body frame, fierce and nothing frightens her. Felica is a little bit of a talker.

 They both love to be close by and sleep by you. They will follow me and lay by me no matter which room I'm in. They are time feed and will tell you when they are hungy. They have never had health ussues, they get worm and flea preventative medicine monthly. They have always had hard food. I will provide you with all their vet and medical records.

 I'm moving out of state for work and I will not be able to take them. I'm looking for a forever home where they will not be seperated and they will stay together with each other.

 They have a seating post, 2 litter boxes, dry food container, box of unopened litter, your, brushes, and food.

 I'm asking a rehoming fee of $75.00 to ensure they go to a good home.
