QR Code Link to This Post Stolen dog(white w/tan freckles dear head chihuahua and winner dog)from the Dollar Tree store on 181st and Division. Between 6 and 7 last night my daughter and I stopped to get baby diapers we changed the baby and somehow our dog got out. Our next stop was to get pizza and we realize that he was not in the car we went right back to the Dollar Tree store and they informed us that they were going to keep the dog until the pound came but a white female Caucasian with red hair came in and said it was her dog and took it. This dog is like my kid it has been in my family for three years he is kept me alive I would like my dog back I've made a police report and we're looking at pictures so if you could please return my dog . I greatly appreciate it there is a reward so please call a lot of kids are missing him and I'm also missing him too.

PHOTO TO FOLLOW SOON GOD BLESS AND THANK
