QR Code Link to This Post Hi I'm Douglas!

I offer drum lessons to anyone and everyone who wants to learn! Each lesson is specifically tailored to your needs and skill level. I've worked with most age groups, ranging from 5-40. I love working with every skill level from beginners to advanced to players who want to brush up on specific skills or new ideas.

A little about myself: I'm 23 years old and I've been playing drums for 15 years. In that time I've played in several bands in varying styles (everything from Jazz, Indy Rock, Folk/Country, and Metal), recorded 5 albums, and toured most of the United States.

Lessons are typically in my studio in SE but I'm more than willing to come to you! Rates start at \$25/half hour and \$40/hour.

I look forward to hearing from you!! Feel free to email or call/text!
