QR Code Link to This Post I'm a clean cut older white guy that would like to help out a lady that wants to earn some extra money for the holidays. I'm seeking a lady that would like to give me massages at my house ... on a recurring basis if you want to. You don't need to be a certified therapist for the massages ... just have a fun attitude and be willing to try. I have a massage table and supplies.

If you're interested, please e-mail me back with:

- (1) your stats (responses with pics will be given preference)
- (2) your desired hourly rate

You must have transportation to come to me.

I will respond to all legitimate inquiries that contain the requested info and that put "Holiday Cash" in the Subject Line (to weed out spam). Preference will be given to complete and thoughtful responses ... one-liners aren't impressive. Thanks in advance for your time and.
