QR Code Link to This Post I am in last minute need for someone with farm equipment to till a planting of winter wheat. I own 2 residential lots in Ironwood subdivision in sussex that i plant on to save on property taxes. It is essential that i find someone to help me with this. It needs to be planted by midnight on the 31st. Right now im not worried about harvest or yield. I just need to prove its planted. Paying \$1000 total for both lots to be done. I know the ground is hard, but its been done before. My guy bagged on me and now Im scrambling. Please call me on my cell.

. My name is Traci. Please help me find someone. Great extra cash for holidays. Thank!
