QR Code Link to This Post Hello, I have a female Italian greyhound puppy, I bought her from a breeder a couple of weeks ago. I would love to keep her but my male Dachshund isn't getting along with her. She's fully vaccinated and vet checked. She has her registration through America's Pet Registry and is AKC registrable. She is 12 weeks old. I'm asking \$800. TEXT â€œâ€ â€–â€–
