QR Code Link to This Post Hello, my name is Adrienne. I have many years of experience in the cleaning industry. There is no job too big or too small. However, my price to clean is \$15/hr. with 2hr. minimum. I can provide the materials, for an additional charge of \$10, or I can just provide the labor. Please try to give 24hr. notice, although I understand spur of the moment situations. Feel free to contact me @ . Thanks and God bless.
