QR Code Link to This Post Expedited Cargo currently has openings for Owner Operators using their own car Monday through Friday. The car drivers will receive same day job assignments sent the their phone. You must have a reliable vehicle and a smartphone.

## Job details:

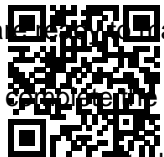

- Payment is not per hour. It is per job.
- You will need a business license as you are a contractor. You can get one online for \$25.
- New drivers will have a probationary period in the beginning which limits the number and value of jobs.
- Job rates average around \$10 - \$20. This is an average.
- Job rates are determined by loaded miles, weight, and urgency.
- Some days are busier than others. Monday and Friday are busiest while Wednesday is the slowest.
- This work is like the Uber of parcel delivery.

## Requirements:

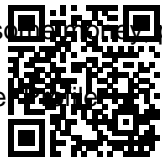

- You must have your own car. (I get this question several times a day)
- You pay for your own fuel.
- You pay for your own insurance.
- You are a contractor which means you deal with your own expenses.
- You must have a smart phone.
