

# General Electric beetle plastic tube radio (225 USD)

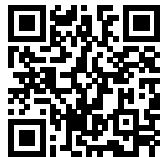

Location **Wisconsin**  
<https://www.genclassifieds.com/x-773223-z>

QR Code Link to This Post General Electric beetle plastic tube radio from the 1940s  
Has a small hairline heat crack on top of the case, does not go to the edge  
Original knobs and cardboard back  
Nice marblization to the case  
Believe it's a Canadian model?  
\$225
